At the end of the voting period on September 15, 2023 at 5.00 p.m., the voting portal of the Service Provider was blocked forthwith by the Service Provider. On September 16, 2023, the votes cast through e-Voting facility was duly unblocked after the conclusion of the Annual General Meeting and results were downloaded from CDSL website by us as Scrutinizers in the presence of Ms. Harshika Jain and Ms. Aishwarya Kumar who are not in employment of the Association and acted as witnesses, as prescribed in Sub Rule 3(xii) of the said Rule 20.

At the 72nd AGM of the Association, the members present were allowed to cast their vote through ballot (Physical Ballot) at the venue of the AGM. The ballot papers were distributed to the members present at the venue. The members cast their votes in the 2 (Two) ballot boxes kept at the convenient locations in the venue.

After announcement by the Chairman for voting through Physical Ballot, the boxes kept for voting were checked as empty and then locked in our presence with due identification marks placed by us. After completion of voting through Physical Ballot, the locked boxes were opened in our presence and the ballot papers were diligently scrutinized. The ballot papers were reconciled with the records maintained by the Association.

We did not find any ballot paper invalid.
