Legal Matters:

Appeals filed before the Income Tax Appellate Tribunal

Three appeals were filed by the Association against the orders dated 12.01.2018 of the learned Commissioner of Income-tax (Appeals). Issues and facts of the case of all appeals are similar. The Association being a charitable institution registered under Section 12A (a) of the Income-tax Act, 1961 (the Act), carries out activities covered under the definition of "Charitable purpose" enumerated in Section 2(15) of the Act. The Association filed its return of income for the assessment years 2011-12, 2012-13 and 2014-15.

As per the Assessing Officer, the objects of the Association are not charitable in nature and that the membership to the Association is very limited and restricted to urban areas of South India. The Association has no control over its members and there is no benefit to the public at large and hence invoked Section 2(15) of the Act and denied benefit under section 11 of the Act to the Association.

The Association had appealed against the order of the Assessing Officer before the learned Commissioner (Appeals), the CIT (Appeals) confirmed the order of the Assessing Officer in denying the claim made under Section 11 of the Act as there is no benefit to the public at large and no charitable activity is carried on by the Association

The Association filed an appeal against the order of CIT (Appeals) before the learned Appellate Tribunal. As per the learned Appellate Tribunal, considering the proviso to section 2(15) of the Act, it is clear that any activity of rendering any service in relation to any trade, commerce for a cess or fee or any other consideration, irrespective of the nature of use or application or retention of the income from such activity is not charity and the Association was only doing services to its members in relation to hotel business, and hence the activities of the Association cannot be considered as charitable activity. The learned Tribunal confirmed the order of the Assessing officer and the CIT (Appeals) based on the findings of the Assessing Officer that the Association was doing only consolidation of its manpower, potential and use for the benefit of the members of the Association and no benefit to the public at large. The appeals were dismissed by the learned Tribunal.

A petition against the order of the Learned Tribunal has been filed before the Hon'ble High Court of Madras.

SOUTH INDIA HOTELS & RESTAURANTS' ASSOCIATION

Auditors' Report TO THE MEMBERS OF SOUTH INDIA HOTELS & RESTAURANTS' ASSOCIATION

Report on the Financial Statements

We have audited the accompanying financial statements of SOUTH INDIA HOTELS & RESTAURANTS' ASSOCIATION ("the Company") which comprise the Balance Sheet as at March 31, 2025, the Statement of Income and Expenditure and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Basis for Opinion

We conducted our audit of the Financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701 is not applicable to the Company as it is not a listed company, and we have not otherwise decided to communicate key audit matters in the auditor's report.

Information other than the Financial Statements and Auditor's Report thereon

The Board of Directors is responsible for the preparation of the other information contained in the report. The other information comprises the information included in the Board's Report including annexure(s) to Board's Report but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error.

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we do not express our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls, as the provisions of the section do not apply to the Company.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and the Board of Directors.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should

not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2025;
- b) in the case of the Statement of Income and Expenditure, of the surplus of the Company for year ended on that date;
- c) in the case of the Cash Flow Statement, of the Cash flow for the year ended on that date.

Report on Other Requirements

1. The Companies (Auditor's Report) Order, 2016 (CARO) issued by the Central Government in terms of Section 143 of the Companies Act, 2013 is not applicable to the Company in terms of Clause 1(2)(iii) of the Order.

2. As required by Section 143(3) of the Act 2013, we report that: a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet and Statement of Income and Expenditure and the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Company.

d) In our opinion, the Balance Sheet and Statement of Income and Expenditure and the Cash Flow Statement comply with the Accounting Standards referred to in Section 129(1) of the Companies Act, 2013.

e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Companies Act, 2013.

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the companies (Audit & Auditor's) Rules 2014 as amended, in our opinion and to the best of our information and according to explanations given to us:

1. The Company is not required to transfer funds to the Investors Education & Protection fund
2. The company being section 8 company, it is prohibited from neither declaration nor payment of dividend and hence the reporting under this clause is not applicable.

3. No Provision is required to be made required under any law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
4. According to information and explanation given to us
- a. no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
